

Dear Parents and Carers,

Beech (Year 4) Multiplication Check Information Meeting

We would like to invite you to a short information meeting regarding the **Year 4 Multiplication Tables Check (MTC)**.

The meeting will be led by **Mr Cains and Mr Hussain** and will take place on **Thursday 1st October at 2.30pm** in the school hall.

Parents and carers are asked to arrive at the **school office at 2.30pm**, where a member of staff will escort you to the hall. The meeting will last no longer than **30 minutes**, allowing you to collect your child at the end of the school day as usual.

During the meeting, we will discuss:

- The purpose and format of the Year 4 Multiplication Tables Check
- Key dates and important information about the assessment
- How children can prepare for the check at home
- A demonstration of **Times Tables Rock Stars (TTRockstars)**
- The importance of secure times tables knowledge for future learning in mathematics
- Adaptations and support that can be provided for individual children where appropriate

We hope you will be able to join us for this informative session. Working together, we can help ensure that all children feel confident and well prepared for the Multiplication Tables Check.

We look forward to seeing you there.

Yours sincerely,

Mr Cains

Deputy Head

Grace Mary Primary School
