

4th March 2026

Dear Parents and Carers,

Mission GMB69ILD: A Space Art Adventure

We are delighted to invite you to our upcoming space-themed art installation, *Mission GMB69ILD: A Space Art Adventure*. This special event will take place on **Wednesday 18th March 2026** at **Oakham Evangelical Church**.

Throughout this term, the children have been exploring the wonders of space through a rich blend of **art, dance and music**, and they are excited to share the creative work they have produced.

Each class has contributed to the installation, and the event offers a wonderful opportunity for you to see their imagination and hard work brought to life.

To ensure all families have time to enjoy the exhibition with their children, we have arranged two drop-in sessions:

- **Parents of Years 1 and 2**

Drop-in between **9:30am and 10:30am**

Children will act as your guides, showing you the artwork and performances they have helped to create.

- **Parents of Years 3 and 4**

Drop in between **11:00am – 12:00pm**

Pupils will lead you through the installation and share insights into their creative process.

- **Parents of Years 5 and 6**

Drop-in between **1:30pm and 2:30pm**

Pupils will lead you through the installation and share insights into their creative process.

We are incredibly proud of the effort and enthusiasm the children have shown, and we look forward to celebrating their achievements with you. Thank you, as always, for your continued support.

Kind regards,

Mr Hayward and Miss Flavell
