

Dear Parents/Carers,

Sycamore (Y6) SATs Information Meeting

As you will be aware, this is an important year for your child as he/she prepares to move on to secondary school. Part of this preparation includes National Curriculum Tests (SATs) which will help to assess their knowledge and learning so far.

These tests will take place during the week beginning Monday 11th May 2026.

You are invited to attend a short meeting, which will help to explain these tests, expectations, and ways in which you can support your child to better prepare for these tests.

At the meeting, I will go through some of the work that the children have studied so far and the ways in which you can support your child to achieve the results they deserve.

At the meeting, I will also be going through materials that can be used for SATs revision, where these materials can be found and how these materials will support them.

The meeting will be held on Tuesday 14th April at 3.15 pm in Sycamore (Y6) classroom. We hope to see you there.

Yours sincerely,

Mr S Cains
Deputy Head Teacher

Miss Oliarnyk
Sycamore (Y6) Class Teacher
