

## Staying Safe Virtual Reality on 20<sup>th</sup> November 2025

Dear Parent,

I am Police Constable Jo Dakin and I am the Early Help Police Officer for Oldbury and Rowley.

I will be presenting a virtual reality program to your child's class about staying safe in the community and the dangers of knife crime.

This is an immersive experience where the young person is able to make their own decisions on how the story will unfold in a completely safe environment.

The program is designed to empower young people to make decisions in a peer pressured situation without risk.

At the end we facilitate a discussion around the choices that the students made, the outcomes and whether in the real world they may have chosen differently.

If you wish to know more then please do not hesitate to contact me

Regards

PC 8814 Jo Dakin

Oldbury and Rowley Early Help Officer
